About Invigor Group

Invigor Group Limited (ASX: IVO) is an investment company focusing on the Information and Communication Technologies sector. It invests its expertise and capital to transform innovative technology companies with outstanding management teams into successful international businesses.

About Global Group Australia

Global Group is a holding company for the following operating businesses (except in the case of Recruitment Advisor as to only 40%):

- **Global IT** - a digital solutions agency established in 1999 that provides digital services and solutions to organisations and businesses of all sizes. Global IT has a team of dedicated professionals and resources worldwide which offer both digital solutions and strategic consulting to clients across different industries.

- **Global Entries Online** - an online sporting event registration system that has been in development since 2008 and officially launched in late 2010. Global Entries Online provides an online portal which allows organisers and competitors of sporting events to organise, administer and register their participation in the events by accessing a secure online database which also enables direct communications between event organisers and competitors. The platform facilitates the management of additional event requirements as well as memberships of sporting teams and associations. For each type of sport, there is also a dedicated platform to allow for advertising and trading specific to that sport.
