Dear Sir / Madam,

#### **SUPREME COURT SETTLEMENT - POMBORNEIT/WEERITE**

Following relevant commentary in today's press, Spark Infrastructure seeks to make a clarification in relation to the settlement of the Pomborneit/Weerite bushfire litigation by Powercor Australia's (Powercor) insurers.

Powercor was required to meet the first \$5 million of any award of damages or settlement relating to the fires at Horsham, Coleraine and Pomborneit/Weerite in February 2009 pursuant to its insurance policy, with all matters counting as one event under the policy. This amount was provided for in the 2009 financial accounts.

The settlement of the Pomboneit/Weerite matter does not involve any admission of liability on the part of Powercor and does not entail any additional cost to Powercor beyond the amount outlined above.

Spark Infrastructure holds a 49% interest in Victoria Power Networks, the holding company for CitiPower and Powercor.

Yours faithfully,
