## Tax ruling

As noted in the Prospectus, Westpac applied for a Class Ruling to confirm the Australian tax consequences for certain Holders of Westpac Capital Notes. The ATO issued the Class Ruling in the form expected on 6 March 2013 as CR 2013/17. A copy of the Class Ruling is available at www.westpac.com.au/westpaccapnotes and on the ATO website at www.ato.gov.au.

Distributions are within the absolute discretion of Westpac and only payable subject to satisfaction of the Distribution Payment Conditions. Distributions may not be paid.

The first Distribution Payment Date, being 8 June 2013, is not a Business Day, accordingly the expected first Distribution will be made

The potential value of the franking credits does not accrue to Holders at the same time as Holders receive the cash Distribution and a Holder's ability to use the franking credits will depend on that Holder's individual tax position.

No Director (or any of their associates) has been issued any Westpac Capital Notes in the Offer.
