DEVINE EXTENDS CORE DEBT FACILITY

Leading developer Devine Limited (ASX: DVN) is pleased to announce that it has extended its core debt facility until October 2015.

The extension reflects the positive and supportive relationship the Devine Group has maintained with its key financier, ANZ Banking Group.

The facility's multi-option structure has been maintained ensuring flexibility in the way it is applied across the assets and activities of the Group.

Devine's Managing Director & CEO, David Keir, said the extension of the Group's major debt facility out a further year to October 2015 ensured that Devine had the funding security it required.

"We are pleased that the negotiations with ANZ have been successfully concluded and that they continue to support Devine," Mr Keir said.

"The extension provides certainty of funding availability to deliver key projects and other development opportunities beyond the medium term."
