Cabcharge Australia Limited together with its senior joint venture partner ComfortDelGro Corporation Limited is pleased to announce that its associate, ComfortDelGro Cabcharge Pty Ltd (CDC), has been successful in the process of tendering for the Region 4 Metropolitan Bus Contract (SMBSC) in New South Wales. The Region 4 contract is operated by Hillsbus Co Pty Ltd (Hillsbus), a wholly owned subsidiary of CDC.

As announced by the Minister for Transport the Honourable Gladys Berejiklian MP, TfNSW has awarded the Region 4 contract to ComfortDelGro Cabcharge Pty Ltd, tenders for which closed in May 2013. Services under this new contract will commence in August 2014.

This is a pleasing outcome and CDC is looking forward to working with TfNSW and all concerned to continue to provide reliable and quality services as part of the Sydney Bus Transport Network for the benefit of residents and visitors to the Hillsbus Region 4 area who rely on CDC's services.
