Correction to Annual Report

23 September 2013

AGL Energy Limited today advised of a correction to its Annual Report. On page 21 under the heading "Hunter Gas Project", the following words:

"In September 2012, the Hunter Gas Project Petroleum Exploration Licence (PEL) 267 held by AGL was renewed."

should be replaced with:

"AGL has applied to renew the Hunter Gas Project Petroleum Exploration Licence (PEL) 267. PEL 267 remains valid pending finalisation of the renewal process. AGL has received draft renewal conditions and is now awaiting the Minister's final determination."

About AGL

AGL is one of Australia's leading integrated renewable energy companies and is taking action toward creating a sustainable energy future for our investors, communities and customers. Drawing on 175 years of experience, AGL operates retail and merchant energy businesses, power generation assets and an upstream gas portfolio. AGL has one of Australia's largest retail energy and dual fuel customer bases. AGL has a diverse power generation portfolio including base, peaking and intermediate generation plants, spread across traditional thermal generation as well as renewable sources including hydro, wind, landfill gas and biomass. AGL is Australia's largest private owner and operator of renewable energy assets and is looking to further expand this position by exploring a suite of low emission and renewable energy generation development opportunities.
