We (the entity) give ASX the following information.

Part 1 - All issues

You must complete the relevant sections (attach sheets if there is not enough space).

- 1 +Class of +securities issued or to be Performance Rights issued
- 2 Number of *securities issued or to be 407,995 issued (if known) or maximum number which may be issued

Principal terms of the +securities (eg, if options, exercise price and expiry date; if partly paid +securities, the amount outstanding and due dates for payment; if +convertible securities, the conversion price and dates for conversion):

Refer below

For the FY13 grant, the Performance Rights will be performance tested over a period of three years from 1 July 2012 to 30 June 2015. As such, Performance Rights will not vest until 30 June 2015.

The FY13 grant will be performance tested 239,726 based on Relative Total Shareholder Return (Relative TSR) performance, and 168,269 based on Absolute Diluted Earnings per Share (EPS) performance.

⁺ See chapter 19 for defined terms.

Up to 100% of the allocated Performance Rights may vest, subject to the achievement of the Performance Hurdles and service Vesting Condition as set out below.

Any Performance Rights that do not vest and become exercisable, will automatically lapse.

Relative TSR

TSR measures the return received by shareholders from holding shares in a company over a particular period. TSR is calculated by taking into account the growth in a company's share price over the period as well as the dividends received during that period. The formula for calculating TSR is shown below:

(Share Price at Test Date – Share Price at Start Date) + (\$ Dividends Reinvested)

Share Price at Start Date

A volume weighted average share price (VWAP) will be used to determine Share Price at Test Date and Share Price at Start Date.

The VWAP for the Share Price at Start Date will be based on the VWAP over the 10 days prior to the Date of Grant and the VWAP for the Share Price at the Test Date will be based on the VWAP over the 10 days after the two year anniversary of the Date of Grant.

The TSR will be measured against the S&P/ASX300 (excluding financial services, infrastructure funds and mining/property/manufacturing companies).

No Performance Rights will vest unless the percentile ranking of the Company's TSR for the relevant performance year period as against the Comparative TSRs for the relevant performance year period is at or above the 50th percentile.

The vesting schedule is as follows:

Relative TSR performance	Performance Vesting Outcomes
Less than 50 th percentile	0% vesting
At the 50 th percentile	50% vesting
Between 50 th and 75 th percentile	Between 50% and 100% vesting, calculated on a linear basis.
At or above 75 th percentile	100% vesting

Absolute EPS

Oakton's EPS performance will be measured across the relevant performance period. Absolute EPS measures the portion of a company's profit allocated to each outstanding

Appendix 3B Page 2 1/1/2003

⁺ See chapter 19 for defined terms.

ordinary share and serves as an indicator of a company's profitability. It is prescribed by the Accounting Standards and set out in the financial statements.

No Performance Rights will vest unless the performance of Oakton's EPS is equal to or more than the threshold earnings per share price growth, as measured across the relevant performance period.

The vesting schedule is as follows:

Compound annual EPS growth	Performance Vesting Outcomes	
Less than 10% pa	0% vesting	
At 10% pa	50% vesting	
More than 10% pa but less than 15% pa	Between 50% and 100% vesting, calculated on a linear basis.	
At 15% pa or greater	100% vesting	

⁺ See chapter 19 for defined terms.
