ASX and media release

Thursday 27 June 2013

Confirmation of Operating Earnings Guidance

We refer to some media coverage of our release earlier today with regard the Company's impairment of its Toll Global Forwarding (TGF) investment and the Company's confirmation of operating earnings guidance.

For the avoidance of doubt, the confirmation of the Company's full year operating earnings guidance of between \$420m to \$430m is before the TGF impairment of approximately \$200m and other non-recurring one off items.
