BlueScope Steel Chairman, Mr Graham Kraehe, today announced the appointment of Mr Lloyd Jones as a non-executive director, effective immediately.

Mr Jones spent 25 years of his career in a variety of senior management roles with Alcoa including General Manager of WA Operations, President of US Smelting and President Asia Pacific (based in Tokyo and Beijing). Most recently Lloyd has served as President of Cerberus Capital Management's Asia Advisors Unit. His experience encompasses mining, plant operations, energy, construction, mergers and acquisitions, corporate affairs and finance.

Mr Jones is a director of the Myer Family Company, Deputy Chairman of Doric Group and an advisory director to a division of Deutsche Bank in Australia.

Welcoming Mr Jones, Chairman Mr Kraehe said, "We are very pleased to welcome a director of Lloyd's calibre to the Board. His significant experience in heavy industrial operations in Australia, Asia and North America, combined with broad commercial and transactional experience will be a great asset to the BlueScope Board as it goes through a period of renewal".

Mr Jones said, "I am looking forward to joining the BlueScope Board at an exciting time for the Company and making a positive contribution to the Company's future success".
