EMERCHANTS SIGNS STRATEGIC PARTNERSHIP AGREEMENT WITH MACQUARIE BANK

Adept Solutions Limited (Adept Solutions) (ASX:AAO) is pleased to announce that Emerchants Limited (Emerchants) has signed a 3 year agreement with Macquarie Bank Limited (Macquarie Bank), under which Emerchants will partner with Macquarie to identify opportunities for prepaid card programs within the Macquarie Bank corporate client portfolio. The prepaid cards will focus on petty cash management, corporate expense cards and funds disbursement.

Emerchants is a non-bank financial services company with a strong IT focus providing Prepaid Debit Programs for streamlining funds disbursement by offering organisations control and instant issuance flexibility in managing expenditure.

Macquarie Bank is part of Macquarie Group Limited, a global provider of banking, financial, advisory, investment and funds management services. Macquarie Group Limited is listed in Australia (ASX:MQG) and is regulated by APRA, the Australian banking regulator, as the owner of Macquarie Bank, an authorised deposit taker.

Adept Solutions' Managing Director, Mr Tom Cregan, commented, "We are delighted to sign this agreement with Macquarie Bank. Macquarie undertook an extensive due diligence evaluation on Emerchants before selecting us as their strategic partner and we look forward to working with them to expand the portfolio of prepaid cards within Macquarie Bank's customer base. We expect to have 120 cards in the market with Macquarie by the end of February 2013 and will work with their relationship managers to grow it from there."

Emerchants does not expect that this new partnership will be material to earnings in the current financial year, as the cards will be implemented within 4 months of the remaining financial year, but expect the partnership to become more material in the coming years.
