RESPONSE TO STREET TALK COLUMN

In response to the Street Talk column in today's edition of the Australian Financial Review Emeco confirms that it did receive interest from two private equity firms. Initial proposals were incomplete, non-binding and highly conditional.

Discussions with the proponents did not result in a credible offer being presented and Emeco terminated discussions in early May 2013.

About Emeco (ASX: EHL)

emecogroup.com

Established in 1972, Emeco is the world's largest, independent mining equipment rental business. Emeco is a publicly listed ASX 200 company with a global rental fleet of approximately 1000 machines, servicing major resource projects across Australia, Canada, Chile and Indonesia. Emeco is not aligned with a single original equipment manufacturer (OEM), instead it operates a global fleet of OEM machines to deliver the most suitable equipment rental solutions for its customers.
